

Little Comfort Farm Ready Made Meals

At the farm we have some delicious ready cooked meals (made with our own meat) for sale.

The meals are frozen and come in two person portions. All you need to do is defrost them, heat them up and enjoy them. The meals can be ordered before you arrive and to ensure we have what you want please just send back this letter and I will reserve your chosen meals, or give me a ring on 01271 812 414.

If you would like your meal to be defrosted before for arrival please let me know. Of course the meals are available during your stay along with our range of Pork, Beef and Lamb. Because we use our own farm reared meat we cannot always guarantee that everything is in stock—in the event that we have run short we will let you know in advance so that you may choose an alternative.
